

November 30, 2025: Your office is operating a criminal monster

I am writing to inform you that your operations are so criminal now that they are causing harm to my family inside of our home. Your illegal spying operation stems from your military's fear of being exposed in the public for all of the criminal activities that it is conducting in the name of 'protecting' America - when in reality you are only protecting your own budgets (from cuts) and employees (from prison sentences).

I am alerting your office, in no uncertain terms: YOUR SPACE FORCES ARE SPYING ON MY HOME AND SENDING A LARGE MESS OF CRIMINAL OPERATIVES PAST IT TO CAUSE ME AND MY FAMILY HARM IN OUR LIVES.

Your ongoing political 'mafia' is nothing short of a criminal conspiracy masquerading as a military force. I am alerting your office that your team is acting as the arms of maniacal criminals that are obsessed with everything wrong in the world.

Your forces are exhibiting signs of mental illness, obsessive compulsive disorders, fear-based propaganda and tactics, and terrorism.
